PARK HILL THORNS FEDERATION ATTENDANCE POLICY

1. AIM

At the Park Hill Thorns Federation we believe that children can only learn effectively if they attend school regularly. It is important too, that children arrive and leave school on time. It is equally important that children should not be at school if they are unwell.

Statutory Duties

The Education Act 1996 requires parents or guardians to ensure their children receive efficient, full-time education, by regular attendance at school or otherwise. The school follows “Working together to improve school attendance” May 2022.

NB: “Parent” has a very broad meaning in education law: see section 576 of the Education Act 1976. “Parent” means not just the child’s natural parents, but includes individuals with “parental responsibility” for the child (as defined in the Children Act 1989) or who have care of the child.

Schools are responsible for recording pupil attendance twice a day; once at the start of the morning session and once during the afternoon session. An entry must be made in the attendance register for all pupils of compulsory school age who are on the school’s admission roll.

School attendance, Safeguarding and Children Missing Education

A child going missing from education is a potential indicator of abuse or neglect. School staff will follow the school’s procedures for dealing with children that go missing from education, particularly on repeat occasions, to help identify the risk of abuse and neglect, including sexual exploitation, and to help prevent the risks of their going missing in future (Keeping Children Safe in Education (updated annually) and Children Missing in Education Nov 2013, updated Sept 2016). All Schools are required to make the local authority aware of every registered pupil who fails to attend school regularly and any children who have been absent from school, where the absence has been treated as unauthorised for a continuous period of not less than 10 school days Education (Pupil Registration) (England) Regulations 2006 regulation 12. This attendance policy is part of broader suite of Safeguarding policies including the schools Child Protection Policy.

2. PRINCIPLES

Your child should come to school every day.

The law entitles every child of compulsory school age to an efficient, full-time education suitable to their age, aptitude, and any special educational need they may have. It is the legal responsibility of every parent to make sure their child receives that education either by attendance at a school or by education otherwise than at a school.

Where parents decide to have their child registered at school, they have an additional legal duty to ensure their child attends that school regularly. This means their child must attend every day that the school is open, except in a small number of allowable circumstances such as being too ill to attend or being given permission for an absence in advance from the school.

He or she should only be absent if the reason is 'unavoidable'. Allowing a child to be absent without good reason is against the law and parents can be fined. Every half-day absence from school has to be classified by the school (not by the parents) either as *Authorised* or *Unauthorised*. This is why information about the cause of each absence is always required.

Authorised absences are mornings or afternoons away from school for a good reason: illness or other exceptional or unique circumstances.

Unauthorised absences are those which the school does not consider reasonable and for which no 'leave' has been given.

Providing a reason may not be sufficient if the reason given is not 'unavoidable'. Children should never be kept off school for reasons such as shopping or as a treat. Some children need encouragement to attend school regularly. Any problems are best sorted out between school, parents and child. It is never better to cover their absence or to give in to pressure to excuse them from school. This gives the impression that attendance does not matter and may make things worse. Parents are expected to contact school at an early stage and to work with staff in resolving problems together. This is nearly always successful.

If problems cannot be sorted out in this way the school may refer the child to the Warwickshire Attendance Service (WAS). They will try to resolve the difficulties by agreement but if other ways of trying to improve the child's attendance have failed, these officers can use court proceedings to prosecute parents or to seek an education supervision order on the child.

Rights and Responsibilities

Improving attendance at Park Hill and Thorns is the responsibility of everyone in the school community - pupils, parents and all staff.

Pupils

All children are expected to attend school and all of their lessons regularly and punctually. Children who do experience attendance difficulties will be offered prompt and sympathetic support, initially from their class teacher, and if the need should arise, from the Head of School or Assistant Head Teacher. Both schools also use the teaching assistants to support children and, at Park Hill, children can access the school Learning mentor and / or counselling in school to support school based anxiety.

Parents

Parents are responsible for ensuring that their child attends school regularly, punctually, properly dressed and equipped and in a fit condition to learn and for informing school if their child will not be attending. Parents should avoid, if at all possible, making medical/dental appointments for their child during school hours but in exceptional circumstances the school office should be notified.

Parents will work with the school to help them understand their child's barriers to attendance.

School

Staff will endeavour to encourage good attendance and punctuality through personal example. Attendance is the responsibility of all school staff (not just teaching staff). The school will employ a range of strategies to encourage good attendance and punctuality and will investigate promptly any absenteeism, liaising closely with parents. The schools will contact parents if they have not been notified of a reason for absence.

3. PROCEDURES

The Park Hill Thorns Federation applies the following procedures in deciding how to deal with individual absences.

Illness and other legitimate reasons

If a child is prevented for any reason from attending school, parents should contact the school by 9.30 am on the first day. A child's absence from school is considered as unauthorized until a satisfactory explanation is forthcoming from the parent. For reasons of safety, parents will be telephoned by school to confirm absence if no notification of absence has been received by 9.30 am. Other reasons for absence must be applied for using the application form which is then given to the Head of School or Assistant Head Teacher. (Appendix 1)

Absence Requests

Only exceptional circumstances warrant a leave of absence. Schools should consider each application individually taking into account the specific facts and circumstances and relevant background context behind the request.

If a leave of absence is granted, it is for the headteacher to determine the length of the time the pupil can be away from school.

As head teachers should only grant leaves of absence in exceptional circumstances it is unlikely a leave of absence will be granted for the purposes of a family holiday.

Lateness

Children must attend on time to be given a mark for a session, unless the lateness is unavoidable. Arriving after 9am at Park Hill and 9.05am at Thorns is counted as late (L); arrival after 9.30am will be recorded as an unauthorised absence (U). **Registration**

Registration periods at both schools are as follows:

| | Morning | Afternoon |
|-----------|--------------|--------------|
| Park Hill | 8.50 - 9am | 1pm - 1.05pm |
| Thorns | 9am - 9.05am | 1pm-1.05pm |

If a child fails to arrive before the registers close, they will be marked as 'absent'. Children who arrive after the registers have closed should report to the general office and be signed in by an adult. (The administrative staff will amend the register entry to read 'absent/late') If a child is persistently late, the Head of School or Assistant Head Teacher (AH) will contact the parents.

The following attendance codes will be used;

Categorisation of Absences

| | |
|--------------------------------------|---|
| / Present (AM) \ Present (PM) | O Unauthorised Abs |
| B Educated off site (not Dual reg.) | P Approved sporting activity |
| C Other authorised circumstances | R Religious observance |
| D Dual registration | S Study leave |
| E Excluded | T Traveller absence |
| G Family holiday (not agreed) | U Late (after registers closed) |
| H Family holiday (agreed) | V Educational visit or trip |
| I Illness | W Work experience # Planned whole or partial school closure |
| J Interview | Y Unable to attend due to exceptional circumstances |
| L Late (before registers closed) | X Non-compulsory school age absence |
| M Medical/Dental appointments | Z Pupil not on roll - All should attend / No mark recorded |
| N No reason yet provided for absence | |

Communication

As attendance is crucial to effective learning and the continuity of learning experiences, school places great emphasis on this in its communication with parents.

Information on lateness, illness and absence is given to parents in both School Prospectuses and Parents Information A-Z. This highlights the importance of being at school on time and notifying school if their child is absent for any reason.

Home/School agreements outline the responsibilities of parents and school for encouraging attendance and punctuality and the expectations of the school for its pupils.

The school will hold more than one emergency contact number for each pupil. This is good practice to give the school additional options to make contact with a responsible adult.

Parents whose first language is not English or who have literacy problems will be offered appropriate support from school in matters of communication.

At the induction meetings held each year for children about to enter reception or Year 3 the importance of regular attendance is discussed and explained. This talk also includes parents and children arriving at school on time so that each child can be given the best possible start to each school day. Being picked up on time is also stressed, especially as children can be very upset if they are the only ones left. If parents are delayed then they are asked to inform the school and let schools know any alternative arrangements that have been made.

Parents are asked to share any worries their child might have in school so that steps can be taken to ensure children are happy coming to school.

Authorised and unauthorised absences are notified to parents as part of the child's annual report.

Concerns

Attendance is reviewed every half term, patterns of absence worked out and the WAS team contacted if necessary. This is done by the Head of School and Assistant Head Teachers, who will then speak to class teachers about concerns.

If a child is regularly late for school or is often absent then the class teacher will contact the parents concerned to have an informal discussion about this. If this persists then the teacher registers their concern with the Head of School (Park Hill Junior School) or Assistant Head Teacher (Thorns Infant School) who will then meet with the parents and agree an action plan to improve attendance.

Families may be invited to an Early Help meeting with the one of Designated Safeguard Leads (DSLs) to improve the attendance of the child.

Response to low attendance

Our response to low attendance varies. If a child has a medical issue or bereavement, then school staff will support children and families through a pastoral way.

| | |
|-----------------------|--|
| 95 - 100% attendance | HoS / AH to continue to monitor every half term |
| 90 - 94.9% attendance | Class teachers to have informal discussions with children about any worries or concerns |
| 80 - 89.9% attendance | HoS / AH to contact parents to discuss concerns and plan for improved attendance e.g. Early Help |
| Below 80% attendance | School to use support from WAS |

Please note when a pupil misses 10% or more of school it is equivalent to 1 day or more a fortnight across a full school year.

Pupils attend school for 190 days each year. Over a school career:

- 1 day per week of absence - Two and half years of missed education
- 10 days per year of absence = Two terms of missed education
- 15 minutes of lateness per day = One year of missed education

Truancy

Although it is a very rare occurrence for a child to truant, if there is a concern that a child might be truanting then action is taken straight away.

If truancy is suspected, the Head of School or Assistant Head is notified, who then contacts the parents. Parents are encouraged to bring their child to school so that reasons for the child not wanting to attend can be discussed and hopefully resolved. These can also be discussed with the class teacher and appropriate action taken. Other agencies may also be contacted when appropriate.

Governors

Governors take an active role in attendance through termly reports from the Head Teacher regarding whole school attendance. The Safeguarding Lead Governor meets termly with the School Leadership Team for the Children and Families (CFA) meetings to discuss pupils who's attendance is causing concern.

Application for Leave of Absence during Term Time in Exceptional Circumstances

I have received your completed application/verbal request for Leave of Absence outlining the exceptional circumstances to support your application.

I have carefully considered your request and reviewed the exceptional circumstances you have given.

As you are aware Government regulations prohibit Head Teachers from authorising absence in term time unless there are exceptional circumstances. In this instance the school **will not** authorise this Leave of Absence request and any absence taken during this period will be unauthorised (please see the attached Leave of Absence form for details). As parent(s) you have a legal duty to ensure that your child receives a full-time education (section 7 Education Act 1996).

Evidence shows that pupil absence has a negative impact on pupil performance and social development. We urge you to consider this matter very carefully before making a decision to go ahead.

You should be aware that failure to secure «Forename»'s attendance at school is a criminal offence under Section 444(1) and 444(1A) of the Education Act 1996.

Application for Leave of Absence during Term Time in Exceptional Circumstances

I have received your completed application/verbal request for Leave of Absence outlining the exceptional circumstances to support your application.

I have carefully considered your request and reviewed the exceptional circumstances you have given.

This decision is not made lightly. Our school is dedicated to the education of all our pupils and believes regular attendance through the year is essential to every child's success and fulfilment.

Reminder for Parents - Leave of Absence during Term Time

As you will be aware, current attendance stipulate a Head teacher may not grant a leave of absence during term-time unless there are exceptional circumstances.

Each application for a leave of absence will be considered on a care be care basis and on its own merits.

It is for the Head Teacher to decide what he/she views as "exceptional" and it is at their discretion if the circumstances warrant the leave to be granted. If the leave is granted, the head teacher is able to determine the number of school days a child can be absent for.

The school can only consider Leave of Absence requests which are made by the "resident" parent.

Where applications for leave of absence are made in advance and refused, the child will be required to be in school on the dates set out in application.

Parents are asked to respect the new regulations under which the school must work and if there is a need to take a child out of school during term-time, an application or request must be made in advance and make clear how the circumstances are exceptional.
