Things to do at home

Last week we sent home a research task for your child to do at home. This involves your child choosing any animal group and writing some facts about the group. On the sheet there are questions to be used as guidance. If you do not have the prompt sheet then please let us know. Please can you ensure your child completes this by Tuesday.

Handwriting

To practise handwriting with your child, please visit:

www.letterjoin.co.uk

The login details are:

Username: park

Password: hill

Please practise the letters **j** and **y** which can be found under the heading 'harder letters'.

There is a short video for each letter your child can watch before having a go at writing on paper themselves.

You will have received an email about our Pet Day taking place next Friday. If you could like to bring your pet in, then please contact the office by Monday 18th March.

There will be no new reading book uploaded this week.

Many thanks,
Year 1 Team ☺
